President's Report

Hello Rockers

Here I am again writing a report in a month that has been very quiet, no South Island Comps and no dance. We just need to get through the next few weeks and then life may return to some sort of normal. Really looking forward to that.

Unfortunately, we have made the decision not to hold a dance this month either due to the Covid numbers. I am hopeful for an April dance, although it is scheduled for Easter and people may be away. However, we will let you know in due course. If Covid allows we may have a small gathering.

Club Nights and Improvers' lessons are continuing and going well with a small group attending.

On a sad note for the Club, but a good note for Toni Kennedy, Toni has decided to move to the big city of Christchurch, our loss but their gain. Toni was on

the committee for a short time and has been teaching the junior dance lessons for much longer. We wish you well Toni and hope to see you from time to time at a dance. Don't forget to join a club in Christchurch Toni and continue with rock'n'roll music and dance.

This leaves us with a gap for teaching junior lessons, if anyone has a desire to help out with this, once we are through COVID, please speak to myself or another committee member. There will be no junior dance lessons in the interim. We will review this later in the year.

I hope people are all keeping safe and well, and my thoughts and best wishes go out to those who are not well currently, in particular Karen Buchan, wishing you all the best Karen.

A very short report this month. Stay well, keep safe and be kind.

Margaret
