President's Report

Hello rockers

I thought for my report this month I would use my annual report and add a bit in. So here we go.

We just squeaked in with 25 to have a quorum for the AGM, it was held in the hall with masks and physical distancing. It was pleasing to see the Club endorse the nominations for committee and all those who stood were elected.

The meeting started at 7:30 and closed at 8:12 pm. Is this an indication that members are happy or apathetic? There was little general business but some discussion about 2022 South Island Competition, and a judging workshop on the same weekend. This was supported by the members present. Bevin also talked about the possibility of a sub committee for the 40th birthday and this will be discussed by the committee and then volunteers will be asked for

We will hold a dance this month on 16 October as long as the COVID level does not increase. Music by Sha Low, who have been postponed twice, so looking forward to seeing them.

Please remember to scan in and use sanitiser and bring your mask.

Improvers' lessons and Club nights are continuing currently and are going ok, with slightly smaller numbers.

All club events are reliant on no increase in COVID levels, so keep an eye on your emails if things change.

AGM Report 2021

Thank you all for coming tonight, I know that in these COVID times coming and mixing with others is something that is carefully considered.

We have had another strange year, with a late AGM and a second Level 4 lockdown, but we have had some really positive times in the club as well. Numbers are growing.

We entered as usual in the Santa Parade and as always was well received by the crowd. Thank you to all that turned out on the day to put the truck together, dance on it and pull it apart at the end. Special thanks to Henare for supplying the live music, and Tom, Gordon and Jess for walking behind the float as well in lovely flouro vests. It is so good to see the members dress up in their rock'n'roll gear to promote the club.

January saw good numbers at the first dance of the year and the South Island Invitation was held in February. While the bulk of the entries were from Invercargill, we did have a few entries from our

club and Sam once again took out the Highland Hop with a partner from the Invercargill club. Thanks to the small number of people that helped on the day and with the organisation.

The 38th Birthday dance saw the dance floor full for most of the night, dancing along to the sound of Free n Easy, a great supper, and the night ended off with a rendition of Auld Lang Syne.

We were very lucky to hold our club champs this year in July and it was good to see club members giving it a go. Thanks to all that helped on the day to make the day such a success. Special thanks to Leila, along with Robyn, Kim, Gordon who assisted on the day. Leila we could not have done it without you.

We have lost a number of club members and ex members this year, including Bryan Menzies, Wendy Coward, Wolfgang Gerber, Barry Patton and life member Keith White. Our thoughts are with their families and friends.

The committee has worked hard all year to keep the club going in these strange times and we saw our numbers increase, with Kimberley being co-opted onto the committee. Tom as Secretary and Liz as Treasurer have done a great job and I really appreciate their support, as well as committee members Richard, Geoff, Susan, Robyn, Erelene, David, Pat and Kim, together with the support from the wider club.

We invested some of our reserves this year in purchasing a container for storage and digitising all of the club videos and DVDs. This I believe is a good investment. We also purchased another laptop to make taking minutes easier and to keep membership lists and treasures reports on.

No President's report would be complete without mention of the members that turn up week after week to assist with dance lessons and club nights, Loretta and Steve, Mike and Gill, Sharon and Norman, Jude, Quinton and Crystal and others who I have probably missed. Without your dedication

and time the club would not be doing as well as it is.
